One item is displayed at a time in each lane.

Review the item number, name and condition rank.

Browse the photos and open ITEM INFO for details. Review these during pre-bidding for smoother live bidding.

Check the current highest bid and minimum-price status.

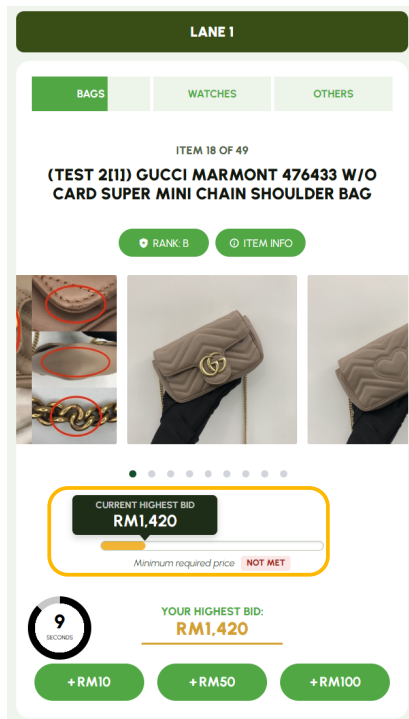

The bidding timer runs for 10 seconds. Each new bid resets the timer. If no new bid is placed before it reaches zero, bidding on that item ends.

Use +RM10, +RM50 or +RM100 to increase the bid.

Understanding bid status

4 MINIMUM PRICE & TOP BIDDER

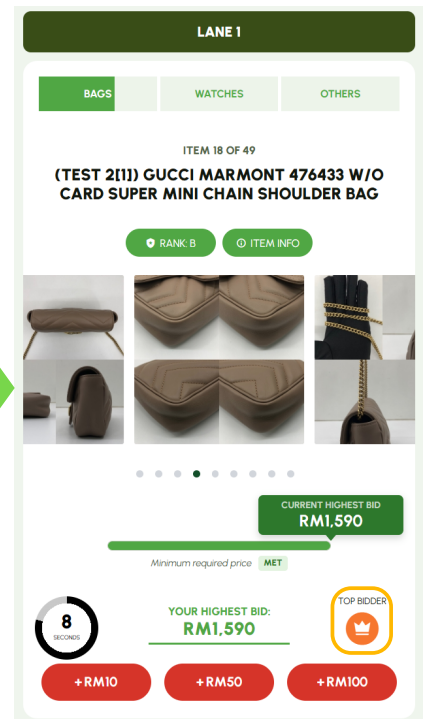

1. MINIMUM NOT MET

The bid is below the minimum required price. The progress indicator and your displayed bid appear in yellow.

2. BID INCREASED

Your bid has increased, but the minimum required price is still not met. Continue checking the status as bidding progresses.

3. MET / TOP BIDDER

Once the minimum price is reached, the indicator turns green. If you are the highest bidder, a crown will appear as shown.
